THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

October 18th 1959. VOL.8. NO.29.

Dear Children of the Light:

To each of My chelas, so earnestly seeking contact with the Masters without, I suggest that, through meditation, he turn his thoughts inwards and acquaint himself now with the Divine Presence, The Holy Christ Flame within his own physical heart.

As the gates of the Inner Temple swing wide and he enters within that Holy Shrine, wherein there is no need for words, he finds himself submerged in a Sea of Illumination, and bathes - rejoicing in Its effulgent Light. His soul and Spirit are saturated, as, within the Peace of this Great Silence, he discerns the Goddess of Truth, Who withdraws the veil of Isis, and there, is revealed to him The Ascended Master Truth within.

This great Silent Christ is the unseen guest within every heart. Throbbing with the Powers of the Godhead, this Master Christ stands silently awaiting the bidding of the outer self to come forth and assume the offices of the Temple. In the words of St. John, let each chela say, feel and accept "I AM" no longer the Babe of Christ but The Master Presence, grown to full stature.

Know, then, beloved that you may roll back the stone from the sepulchre and feel this "I AM" Presence, at your call, like an unleashed river surging forth into every atom, cell, nerve and sinew of your being, bursting forth within the flesh body, tearing asunder the bonds of human error, dissolving into thin air the flesh coat as you have known it, and standing revealed in Love and Truth - The Triumphant Christus.

To this Guiding "I AM" Presence alone belongs all glory, all obedience, all love and all service upon Earth.

Fear not to take hold of the Truth as written here and use it as a key to The Temple Within.

Love and Blessings

MAHA CHOHAN.
